

Hifz Tip: After Finishing a Juzz

Do not rush to the next Juzz. Focus on making the current one solid before moving forward

Suggested Revision Plan

Day 1: Revise the first half of the Juzz

Day 2: Revise the second half

Test yourself on mutashābihāt, surah names, quarters, halves, and random ayāt

Day 3: Complete a full Juzz test from memory.

Key Advice

Only move on when the Juzz is fully secure. This method builds strong and lasting memorisation, ensuring your Hifz remains firm over time
