INHERITANCE QUESTION

INHERITANCE QUESTION

On the next few pages is a template for individuals asking basic inheritance questions. Often, people provide incomplete information without realising. This document can be shared with them beforehand to ensure all necessary details are included. In shā' Allāh, this will help prevent important information from being missed. The document is available at www.tuhfah.net.

Please read the information section below carefully, then complete the questions to the best of your knowledge. This will help the scholar provide an accurate answer to your inheritance query.:

1. This document assumes that the deceased's burial expenses, debts, and valid bequests (up to one-third of the remaining estate) have already been fulfilled. If any of these have not been completed, they must be settled before the inheritance is distributed. If you are unsure, please consult a scholar.
2. If any information provided is incomplete, the inheritance distribution may change. Therefore, the answer should always be understood in light of the full and accurate details.
3. If the exact value of the estate is provided, the precise amount due to each inheritor will be calculated. If not, the shares will be given as fractions.
